

1. Name of applicant/project leader
2. Virginia Tech email of applicant/project leader:
3. Cell phone number of applicant/project leader:
4. I am applying as: (individual or team)
5. If you are applying as part of a team of students, please list the other student names and their Virginia Tech emails below (otherwise please type n/a).
6. How much money are you requesting?
7. Have you identified a community partner/organization for this project?
8. If you have a community partner/organization, a letter of support is required. Please upload the letter below.
9. Faculty support is not required, but could be beneficial for some projects. If you plan to work with a faculty member on this project, please provide their name and email.
10. Your project title
11. Please provide a specific, but concise summary (250 words) of your proposed project.
12. Please list the objectives your project will achieve. You can copy and paste these out of your matrix, but please provide them in list form.
13. Please list the outcomes your project will deliver. These should be specific, measurable outcomes and can be copied and pasted out of your JEDSEG matrix as long as they are in a list form.
14. Upload your completed JEDSEG Objectives and Outcomes Matrix here.
15. Additional funding: If you anticipate needing more funding to complete your project in addition to JEDSEG funds (\$750 or \$1500), please explain what plans you have for securing those additional funds or resources. Be very specific and include dollar amounts or specific resources for each proposed additional funding source.
16. How did you hear about JEDSEG? Please be specific. Thanks!
